<b>B. &amp; O. RAILROAD</b>	
Rent	\$25.
If 2 R.R's are owned	50.
If 3 R.R's are owned	100.
If 4 R.R's are owned	200.
Mortgage Value	\$100.

but for KP,

Palu is one of the sons of Reuven.

And the riddle:

Born in the sedra, he and the sedra are GMs

Pinchas is born in Va'eira. The gimatriya of Pinchas is 208. The gimatriya of Va'eira is 208. Pinchas and the sedra which introduces us to him, are gimatriya matches (GMs). By the way, Yitzchak is also 208. So is Hagar. Real connection there. Also from the makot (albeit from BO) is the locust, ARBEH, also 208. And what did HaShem do to the Egyptian firstborns? He killed them, HARAG, also 208.

## BO

The word BO is not just the name of the sedra, but also the number (BO = 2+1 = 3) of MAKOT in the sedra. ✦ Furthermore, MF adds that the letters actually tell us which makot. BET is for B'CHOROT and ALEF is for ARBEH. So where is CHOSHECH, you ask? It's there by you can't see it because it is dark. ✦ BOW (as in bow of ribbon) ✦ BOW (as in bow and arrow) ✦ American actress Clara Bow who appeared in 46 silent films and 11 talkies ✦ Beau Brummel ✦ Chinese cymbals, known as BO ✦ Monopoly card for the B&O railroad ✦ Beau Bridges ✦ and a number of fresh BOs - you figure them out first or I'll tell you next week ✦ ARBEH (locust) ✦ instead of using black to represent CHOSHECH, here darkness is shown by its contrast - and for B'nei Yisrael there was like - a picture of the Jerusalem light show ✦ Egyptian sword for MAKAT B'CHOROT - the killing of

the first borns and/or the killing BY the firstborns of others in anger over Par'o's repeated refusal to yield to the threat made by Moshe (in G-d's name) against the firstborns ✦ clock reads almost midnight. That's what Moshe said to describe G-d's intention of Makat B'chorot at exactly midnight. Commentaries say that he used that wording so that the people wouldn't question G-d if they thought the timing was off (like if their watches were a little slow or fast) ✦ Lamb and goat are the choices for Korban Pesach ✦ dog wearing a non-barking muzzle for the Jewish areas, not a dog barked its tongue ✦ In Hebrew, canned goods are called SHIMURIM, with a night scene background, as in LEIL SHIMURIM. Note the full Moon in the Leil Shimurim pic, which is how the Moon is on Leil HaSeder ✦ Yo-yo represents Par'o's erratic behavior - get Moshe & Aharon; get them out of my sight; bring them back, etc. ✦ Bone for the ISUR of breaking a bone in Korban Pesach. ✦ It is also for the word that appears a few times: B'ETZEM HAYOM HAZE... ✦ windsock is for the strong easterly wind, that brought the locust ✦ T'filin are t'filin. Two of the four parshiyot inside T'filin come from the end of BO ✦ the single T'fila (BAYIT) represents the requirement that Korban Pesach be eaten by its chabura in one house, not two ✦ Pidyon HaBen coin - obvious ✦ goat and donkey stand for the other two types of B'chor ✦ Axes (and the sword) are mentioned in the haftara ✦ As is the EGLA YEFEI-FIYA, represented as a prize-winning calf ✦ bundle of hyssop,
