

② Jewish & Israel Trivia

How does this stone from the **Southern Wall** excavations in Jerusalem connect to the modern tradition of **Friday evening Shabbat sirens**?

Answer is below

The **drone**, a modern, pilotless aircraft, was pioneered and developed by the **Israel Military Industries**.
What does the word “drone” mean?

Answer is below

Why was the **city of Tel Aviv** selected and designated as a **UNESCO World Heritage** site?

Answer is below

Answers: * The inscription reads: “To the Trumpeting Place.” It was found near where a shofar was blown in the Second Temple to signal Shabbat’s approach. * The honey-bee.
* It’s due to the over 4,000 buildings built in the Bauhaus style.
