

וּשְׁפִנֵּי חֲרֻמֵּי חוֹל

זְכַרְנָא אֶת־הַדָּבָר אֲשֶׁר צֻוֵּיתָ
אֶת־מֹשֶׁה עַבְדְּךָ לֵאמֹר אֲתֶם תִּמְעְלוּ
אֲנִי אֶפְיץ אֶתְכֶם בָּעַמִּים:

Remember now the word that You commanded Moshe, Your servant, saying, 'If you deal treacherously, I shall scatter you among the nations.'

VAYISHLACH

GM HaShem reiterates His promise the the Avot in B'reishit 35:12

וְאֶת־הָאָרֶץ אֲשֶׁר נָתַתִּי לְאַבְרָהָם
וּלְיִצְחָק לָךְ אֶתֶּנָּה וְלִבְנֶיךָ אַחֲרָיִךְ
אֶתֶּן אֶת־הָאָרֶץ:

And the land that I gave to Avraham and to Yitzchak, I will give to you and to your seed after you will I give the land."

In searching for Gimatriya Matches, one often finds several other p'sukim in Tanach that share a Gimatriya. Sometimes none of the results say something to be shared. Sometimes one does. And that's the 'meat' of these GM searches.

But sometimes, a pasuk matches just one other pasuk and when that lends itself to make a connection, the GM becomes stronger.

With a gimatriya of 4862, the only other pasuk in Tanach with that numeric value is Nechemya 1:8 -

This GM makes a very important point - Our hold on Eretz Yisrael is conditional on being faithful to HaShem and His Torah and Mitzvot.

USFUNEI T'MUNEI CHOL is the working title of my hopeful book of Gimatriya Matches. The title translates to Hidden in the Sand. That's how I feel about my Gimatriya searches. Like walking along the beach with a metal detector. Beep-beep-beep. Lean down and find something. Usually, nothing of note. But sometimes you find something special.
