

CHAYEI SARA

GM I found a nice In-Sedra GM. Not only are both p'sukim in Chayei Sara but they are only five p'sukim apart. We'll take them in order. First, B'reishit 23:16 which tells us of Avraham's purchase of land in the future Eretz Yisrael for the proper burial of Sara Imeinu, making this the first step towards the fulfillment of HaShem's promise of the Land to Avraham and his descendants -

וַיִּשְׁמַע אַבְרָהָם אֶל־עֶפְרוֹן וַיִּשְׁקֹל אַבְרָהָם לְעֶפְרֹן אֶת־הַכֶּסֶף אֲשֶׁר דִּבֶּר
בְּאָזְנֵי בְנֵי־חֵת אַרְבַּע מֵאוֹת שֶׁקֶל כֶּסֶף עֹבֵר לַסּוֹחֵר׃

And Avraham listened to Efron, and Avraham weighed out to Efron
the silver that he had named in the hearing of the people of Cheit,
four hundred shekels of silver, accepted by the merchant.

The gimatriya of this pasuk is 5928. This matches the MILUI gimatriya of B'reishit 24:1 -

וְאַבְרָהָם זָקֵן בָּא בַּיָּמִים וַיהוָה בֵּרַךְ אֶת־אַבְרָהָם בַּכֹּל׃

And Avraham was old, advanced in days,
and HaShem had blessed Abraham with everything.

The MILUI gimatriya of this pasuk is 5928. I would say that both p'sukim represent progress in the life of our first patriarch and in the nation that he fathered.
