

## Parshat TZAV

*ParshaPlates is a concept and website - [parshaplates.com](http://parshaplates.com) - which makes a Parsha Connection between the weekly sedra and a recipe for your Shabbat Table that will hopefully trigger conversation about Parshat HaShavua, in addition to providing a tasty treat in honor of Shabbat.*

## Thanksgiving Todah Turkey

In this week's parsha, the korban Todah (thanksgiving offering) is one of the mentioned sacrifices (Vayikra 7:12). Therefore the food of the week is a thanksgiving meal with turkey (as that is the typical food in America used for the American Thanksgiving holiday).
