

ParshaPlates is a concept and website - parshaplates.com - which makes a Parsha Connection between the weekly sedra and a recipe for your Shabbat Table that will hopefully trigger conversation about Parshat HaShavua, in addition to providing a tasty treat in honor of Shabbat.

White Chocolate Chip Cookies

In this week's Parshiyot, it discusses the concept of tzaraat (afflictions which are physical manifestations of spiritual shortcomings) which can afflict people, clothing, or homes. The food of the week is white chocolate chip cookies with the white chocolate chips resembling tzaraat. The cookies can be placed next to each other to form in the shape of a person or a gingerbread cookie cutter can be used.
